

# Come Experience *Life in the Spirit*

**Seven uplifting weeks: Wednesday February 28th-April 18 from 7:30-9:00pm.**

Millions of Catholics, including bishops, priests, religious and laity, have attended a *Life in the Spirit* seminar. "Life in the Spirit" consists of a series of inspirational talks, small group discussions, praise & worship, and fellowship. It is designed to help people realize and experience the power of the Holy Spirit that is available for every aspect of our lives. We cannot become all we were meant to be without the Holy Spirit. Come and see what has become a *life-changing experience* for many.

Some of the fruits many experience are:

- A deeper *intimacy with God*
- Scriptures come *alive*
- *Power* to change
- A greater *desire for the sacraments*
- A sense of being *spiritually alive*
- An ability to *listen to the Holy Spirit*
- A new *joy, hope, and fulfillment*
- A *sense of purpose*

Do you want more of what God wants to give you? Join us and experience the love, joy, and power that God always intended us to have through the Holy Spirit.
